Milton, FL—To help Florida families across the state enjoy a happy and healthy holiday season, the Florida Department of Health is partnering with North Carolina State University to offer the Maintain, Don't Gain! Holiday Challenge for the third year in a row. This free seven-week challenge runs from Nov. 14 through Dec. 31 and provides participants with tips, tricks and ideas to help maintain their weight throughout the holiday season.

"The holidays are a time for getting together with family and friends and food is a big part of most people's celebration. It can be a challenge to try to maintain a healthy weight at this time of the year," said Sandra L. Park-O'Hara, ARNP, administrator of the Florida Department of Health in Santa Rosa County. "This program can give people the support and encouragement they need to make healthy choices, but still allow them to enjoy the holidays."

Many Americans gain between one and five pounds each holiday season. Last year, more than 1,600 Floridians participated in the Maintain, Don't Gain! Holiday Challenge, the second most participants of all 50 states, and received helpful advice on enjoying the holidays in a more healthy way. Participants in last year's challenge experienced beneficial results. Sixty-seven percent reported they maintained their weight, 18 percent lost three to five pounds and 98 percent said they will continue to use the strategies learned during the challenge.

The 2016 Holiday Challenge includes:

- Seven weekly newsletters delivered to your inbox;
- Tips to host a healthier Thanksgiving, manage holiday stress and survive a holiday party;
- Weekly challenges, winners and prizes;
- Support through social media;
- Healthy holiday recipes; and
- Motivation and support from other participants.
