

## **How to access information on Ebridge**

This how you can retrieve you permit and final paperwork.

The Ebridge program allows you to look up OSTDS permits

**To access the program, you must follow the instructions below:**

Step One: Go to [www.ebridge.com](http://www.ebridge.com)

Step Two: Press *customer log in*

Step Three: Enter Username, password and file cabinet

Username is: Public

Password is: santarosa

File Cabinet: Santa Rosa DOH

Step Four: Press *retrieve*

Step Five: You can look up the address you want

You can search in any one of the categories

Please do not fill in every category - just pick one and press enter – then you can look up your permit paperwork.

If you still need help – please call 1-850-983-5275 or email us at [health@flhealth.gov](mailto:health@flhealth.gov)
